18. (south to north)

- A. Violas-Heartsease
- B. (Holy Basil)

Specialty Herbs
(most in pots)
1-4 stems per bag
Marked *1 -small

Herbs that are in parentheses are either "before or after their time" or I don't have enough to share. I sell dried herb crafted products during "cold weather" fairs, on-line and farmer's markets.

(See a menu or store) Please respect this and only pick from those herbs not in parentheses.

Thanks for your understanding and participation!
